

CLERK: Read reference committee report

PRESIDENT: Senator Duis

SENATOR DUIS: I have a pleasurable thing to say just now and if I might point a personal privilege.

PRESIDENT: State your point Senator.

SENATOR DUIS: A gentleman that we have in the chambers this morning, one of your good colleagues who of the past and a good friend of everyone here, and a good friend of mine and a remarkable citizen of my legislative district Senator Alber Kjar, sitting over here under the balcony, would he please stand and be recognized.

PRESIDENT: Senator Kjar would you please step out so we can recognize you. Were ready for the bills for consideration on Select File. Chair recognizes Senator Snyder.

SENATOR SNYDER: Mr. President I move the adoption of the E & R amendments to LB543.

PRESIDENT: Motion to adopt the E & R amendments to LB543 is there any need for discussion. All those in favor of adopting those amendments say Aye, those opposed say No. Amendments are adopted.

SENATOR SNYDER: Mr. President I move that LB543 as amended be advanced to E & R for engrossment.

PRESIDENT: Senator Carpenter.

SENATOR CARPENTER: These bill would be (inaudible) subject to amendment by the members as if they were on General File it is also my understanding that were going to take up a 117 first this morning, which may decide the fate of the other bills in a light capacity. I would oppose having the bill moved over.

PRESIDENT: Stand by just a moment until we clarify the situation on 543.

(start belt #3)

PRESIDENT: Senator Carpenter, you are correct. 543 was to have been handled on Select File as if it were on General File. Senator Carpenter.

SENATOR CARPENTER: I have no objections to considering 543 but I would think in view of the action taken yesterday we should move on to General File for 117 and dispose of that one way or the other. At the conclusion of that then move back to Select File and 543 and let the body take whatever disposition they desire in that area. I ask unanimous consent we do that.

PRESIDENT: I'm sorry, I didn't catch your motion again.

SENATOR CARPENTER: Ask unanimous consent that we now move to General File to take LB117 up at the conclusion of the determination of 117 then, move back to Select File to 543 to consider any committee amendments or amendments the members have to offer and they would be considered as if they were on
