SPEAKER: So ordered. I would like to call the Legislatures attention that on May 15, I presume you all received invitations. The Omaha Chamber of Commerce is honoring the Legislature or wants to honor it. I believe it is the afternoon of May 15. If enough are planning on going or, in fact, if they are going to have it, we would almost have to adjourn. Are you all familiar with that invitation? You are. I suspect that we should have a showing on the Board of how many plan to be there. This is I believe with wives and I assume that you will individually accept or decline the invitation, so could I have a showing on the Board of how many plan to be here and then we will go from there. This is May 15th. The Omaha Chamber of Commerce. All transportation is provided to Omaha and the invitation explains the details. If you plan to go, will you please so indicate because it starts at 1:00 P.M. and so, this is to indicate whether or not you are going. Whether you are going. If you are going, will you please press your green light. Senator Carpenter.
