Notice of committee hearings and reports.

CLERK: Mr. President, your committee on Enrollment and Review reports we have examined and reviewed LB 139 and recommend that it be replaced on Select File as amended; LB 119 replaced on Select File as amended; LB 149 Select File; and LB 537 Select File. Signed, Senator Dworak, Chairman.

That's all Mr. President.

PRESIDENT: Bills on final reading. Will the members kindly take their chairs. I'd request that non-senatorial personnel clear the Legislative Chamber please. The first bill on final reading is LB 77 with the emergency clause attached. Would you read the bill Mr. Clerk.

CLERK: Mr. President, there is a request to bracket LB 77 until some future time. Signed, Senator DeCamp.

PRESIDENT: Alright. Chair recognizes Senator DeCamp.

SENATOR DeCAMP: Mr. President, we have an Attorney General's opinion that was going to be here by 9 o'clock. Mr. Douglas is working on it right now. I think it's vitally important you read this in before you vote on this particular bill because I'm sure once you read the opinion you won't want to vote on in favor of the bill and so I ask to bracket it.

PRESIDENT: That's argument Senator.

SENATOR DeCAMP: OK. I would ask that we would bracket it until that opinion can come down and members have had a chance to read it.

PRESIDENT: Are you asking for unanimous consent? Senator DeCamp asked for unanimous consent to bracket LB 77 . . . Senator would it be sufficient that it be bracketed and read after 208 if we read in succession, according to the Speaker's agenda.

SENATOR DeCAMP: You mean read yet today?
