SPEAKER NICHOL: Mr. Speaker, maybe I could speak to less than the quorum since we are just marking time anyway, but the program for today as you know and as I announced a few days ago, we are on Consent File this morning and we will just go right straight through the noon hour until approximately two-thirty and knock it off for the weekend. So I hope you all had a good breakfast and you can go without lunch, maybe shed a few of those pounds you picked up during the week. So look forward to going right through the noon hour, winding up about two-thirty. Thank you.
