DR. PALMER: (Prayer offered.)

SPEAKER NICHOL: How about messages, reports or announcements?

CLERK: Your Committee on Enrollment and Review reports 284A and 600 to Select File, Mr. President. That is all that I have.

SPEAKER NICHOL: (Gavel.) May I have your attention, please. We announced a day or so ago that a gentleman from Kansas City is going to be here today in regard to LB 600. A few of you at least have questions about it. I urge you to visit with this gentleman when he gets here, which should be in an hour or so. Senator Peter Hoagland is bringing him here specifically to answer questions about LB 600. He will be in my office. You can just go into the back door of my office. He will be there, but when he comes we will introduce him to you so you'll know who he is, what he looks like and so forth. I urge you to visit with this gentleman if you have any questions about LB 600. So as soon as he gets here we will let you know. With that, would you please give your attention to Senator Chambers on his resolution 286 this morning. Senator Chambers.
