So that you know how we are going to proceed or hope to proceed in the next couple of days this week, in talking with Senator Warner, he would like to be through by Thursday noon, however, he does not like to go away leaving work undone that should be done this week. So what I am saying to you is, if we work diligently and accomplish what Senator Warner would like to have us do by tomorrow noon, we may break tomorrow noon. If not, we will continue after lunch
