PRESIDENT MCGINLEY PRESIDING

PRESIDENT: (Microphone not activated immediately.)
...morning prayer. Chaplain.

DR. ROBERT PALMER: Let us pray together. Thank you. Those of you who may have clergy at home who wish to participate by offering a prayer in the morning, please don't hesitate to let me or my office know. Because of the not altogether regular schedule we've been following, I have not been able to have others come in, but I'm open to that possibility should you wish to have someone you know offer the prayer. Now let us pray. (Prayer offered.)

PRESIDENT: Thank you, Chaplain Palmer. Members will please respond to roll call. Members will please record your name on roll call and in the meantime the Chair recognizes Senator Hannibal on a point of personal privilege.

SENATOR HANNIBAL: Mr. President and members of the Legislature, I would like...

PRESIDENT: May we have attention, please. (Gavel.)
Senator Hannibal.

SENATOR HANNIBAL: I'd like to take just a moment to inform you that there is a body of students and coaches from UN-O, I believe they are all from UN-O in Omaha that are out in the rotunda and they would like to make a presentation to any of you in this room that are interested in going out. I would encourage you all to, but especially those in the Omaha or Greater Omaha area, Douglas-Sarpy County area that have part of their district in UN-O students and they are going to make their presentation right now. It will only take a moment and they would really like to see at least the Omaha area senators come out for that and I would encourage you to do so. It won't take but just a few minutes.

PRESIDENT: Roll call is in progress. Members, please record your presence. Record your presence, please. Record the roll, Mr. Clerk.

CLERK: There is a quorum present, Mr. President.

PRESIDENT: Quorum present. The Legislature is in session. Corrections to the Journal, Mr. Clerk.
