Mr. President, I have an Attorney General's Opinion to Senator Warner regarding LB 184, and Senator Coordsen would like to add his name to 561 as co-introducer. (See pages 1720-23 of the Legislative Journal.) And that is all that I have, Mr. President.

SPEAKER BARRETT: Thank you. LR 81, Mr. Clerk.

CLERK: Mr. President, LR 81 offered by Senators Marsh, Wehrbein, Dierks, Hall, Lowell Johnson, and Remmers found on page 1695. (Read.)

SPEAKER BARRETT: Senator Marsh, please.

SENATOR MARSH: Thank you, Mr. Speaker and members of the Legislature. We are very pleased to offer this resolution. Some of you have your eye on these papers this morning and colored pictures draw your attention to planting of trees in one of our statewide newspapers. We know that in those last 100 plus years trees have been an important item in our state for our forefathers and mothers, for the future generations. We lift Arbor Day for your attention but we urge tree planting all during the tree planting season for we need to consciously continue to replace trees, to encourage the planting of trees.
