brief because I agree with much of what Senator Hall said about the integrity of the body and the need of the Executive Board to address those issues that will become...will be coming before us. I have served now for two years in the Legislature and I have become familiar with the Legislature as an institution and its needs. I wish to place my name in nomination for Vice Chairperson of the Executive Board. If I'm elected I will bring to that board, I think, skills that you have seen me use in the legislative process in the Chamber. SENATOR HABERMAN: Madam Chairman, members of the body, I would like to place my name in contention for Vice Chairperson of the Executive Board. Thank you, Madam Chairman.
