same party, and we had the opportunity to get to know Jerry personally, as well as politically, during those years. And I don't know that I can add to anything that has already been said. I just know that Jerry Whelan made an impact on this state in his part of the history of this state, and I think it is very appropriate that we honor him here today. Thank you.

PRESIDENT MOUL: Thank you, Senator Schimek. Senator Haberman.

SENATOR HABERMAN: Madam Chairman, members of the body, I lived in Hastings 25 years, and for many, many of these years, Jerry Whelan was my neighbor. Jerry Whelan was a fine, outstanding man. He was great in that if you wanted to get into an argument, all you had to do is take the other side of the argument, and disagree, and you had an argument. It was fun. I enjoyed Jerry as a neighbor. I enjoyed him as a person, and I think he would get a bang out of what we are doing this morning. Jerry was the type of fellow that could flow with the waters. He was honest and sincere, and I think that the State of Nebraska is going to miss him, and I am pleased to stand up here and say these few words, and I ask you all to support the resolution. Thank you, Madam Chairman.

PRESIDENT MOUL: Thank you, Senator Haberman. Does anyone else wish to speak to this resolution? Seeing none, we will now vote on the motion to adopt LR 1. All those in favor please vote aye, opposed nay. Have you all voted? Please record, Mr. Clerk.

CLERK: 32 ayes, 0 nays, Madam President, on the adoption of LR 1.

PRESIDENT MOUL: LR 1 is adopted. We will now proceed with Item 7 for a motion.

CLERK: Madam President, I have received from Senator Crosby, as Chair of the committee, a report with respect to the committee assignments from the Committee on Committees. I do have a series of amendments that have been filed. However, I do have a priority motion. Senator Crosby would move to rerefer...I should say refer the Committee on Committees report back to the committee for purposes of further consideration. So the pending motion is the rereferral, Madam President.

PRESIDENT MOUL: Senator Crosby.
