LB 627, 765

SPEAKER BAACK: Discussion on the amendment. Senator Lindsay. Senator Ashford, your light is on next. Did you wish to discuss the amendment further?

SENATOR ASHFORD: No, are there any other lights on? All right, I waive off.

SPEAKER BAACK: Senator Crosby. Senator Abboud, on the amendment.

SENATOR ABOUD: A question for Senator Ashford.

SPEAKER BAACK: Senator Ashford, would you respond please.

SENATOR ASHFORD: Yes.

SENATOR ABOUD: Senator Ashford, I looked at your amendment that you had up there, and let me ask, what happened to that bill that went to Government Committee?

SENATOR ASHFORD: Well, I think it is in Government Committee and they are working on it, Senator Abboud, and I've also gone back to the community corrections task force that has been put together to talk, to continue to work with the Government Committee, and to try to get a bill that's acceptable to that committee. And I am not sure whether that is going to be the end result or the best result, but...

SENATOR ABOUD: What's the bill number on that?

SENATOR ASHFORD: The bill number, it is LB 765.

SENATOR ABOUD: Okay, thank you.

SPEAKER BAACK: Thank you, Senator Abboud. Senator Chambers, on the amendment.

SENATOR CHAMBERS: Mr. Speaker and members of the Legislature, I do support the concept of community corrections, and I would like to ask Senator Ashford a question or two, if I might, about his amendment.

SPEAKER BAACK: Senator Ashford, would you respond please?

SENATOR ASHFORD: Yes.
