PRESIDENT MOUL: Thank you, Senator Lindsay. Senator Bohlke.

SENATOR BOHLKE: Madam President, members, I rise to support this amendment and to thank Senator Landis and Senator Lindsay for remaining true to their word and not wanting to burden my priority bill, and with this amendment taking 500 off and letting it stand on its own. I urge your support. Thank you.

PRESIDENT MOUL: Thank you, Senator Bohlke. Does anyone else wish to speak to the motion? Seeing none, do you have closing, Senator Lindsay? Closing is waived. We'll now vote on the motion to return LB 523. All those in favor please vote aye, opposed nay. Have you all voted? Please record, Mr. Clerk.

PRESIDENT MOUL: The motion is approved. Senator Lindsay, for opening on the amendment.

SENATOR LINDSAY: Thank you, Madam President, members. I would simply move the adoption of the amendment, unless there's questions from anybody here. The provisions of the amendment remain alive in LB 500, which is the bill it was originally drafted for, and the provisions can still be addressed on that bill. So I would simply be willing to answer any questions and move the adoption of the amendment.

PRESIDENT MOUL: Thank you, Senator Lindsay. Does anyone wish to address the amendment? Seeing none, we will now vote on the motion to adopt the Lindsay amendment. All those in favor please vote aye, opposed nay. Have you all voted? Please record, Mr. Clerk.
