

believe there should be equal law enforcement for all sections of the community and that question cannot be answered forthrightly in the affirmative, something is wrong. The question is not being addressed. Now, this bill, Senator Robinson, was not brought by the mayor, I was not asked by the chief to bring it. I brought it, then I asked them do they support it? And I will give you some specific examples of why it is necessary but my time is up. However, I have a police report I'm going to share with you where experienced officers said they were not going to be running out there wrestling around with Scott Baldwin unless they had a court order and two rookie females were set after him and the first thing one of the said was she wanted to bulldog him to the ground and I have the police reports to establish it. That's what rookies do and the safety director had indicated that the way they approached Scott Baldwin is not the way an experienced officer would have done it.

SPEAKER BAACK: Time. Thank you, Senator Chambers. Senator Lynch.

SENATOR LYNCH: Could I ask my old friend, Senator Hartnett, a question, please?

SPEAKER BAACK: Senator Hartnett, would you respond, please.

SENATOR LYNCH: We just heard Senator Chambers indicate I think what prompted this whole piece of legislation with the football player and the two lady policemen and their experience. Can you tell me what terrible experience happened in Bellevue that would prompt Mr. Benson and the rest of the people there to suggest that they be a part of this? Just one.

SENATOR HARTNETT: Nothing as dramatic, I guess, as that situation and so forth, you know. I think the real big question I think Senator Chambers has said is, how do we protect our interests...

SENATOR LYNCH: Senator Hartnett, my old friend, I'm sorry, you're editorializing now and it's my time. But I think we have to be concerned about this sort of thing. I think in the State Patrol, for example, they in fact have some kind of a work agreement and if you're a new fresh State Patrol person you get sent out where the pheasants fly I guess rather than close to some metropolitan or first class city area. I'm not sure if we
