

in the paper.

SENATOR CHAMBERS: Wait a minute, I gave you the article. Is the article false? Is that what you're saying? This is the information that I gave. Is it false?

SENATOR WITEK: It is not representative.

SENATOR CHAMBERS: Did you get a copy of the testimony of Lynn Rex that I gave before the Business and Labor Committee?

SENATOR WITEK: Yes, I did.

SENATOR CHAMBERS: Is that false?

SENATOR WITEK: I don't know how much information...

SENATOR CHAMBERS: Thank you. Thank you. Members of the Legislature,...

SENATOR WITEK: ...(inaudible) on the bargaining of the Omaha Police Department.

SENATOR CHAMBERS: ...thank you, Senator Witek. Thank you. I am dealing with a fool. I'm telling you this issue is too serious. She trots out there and the Union gives her this trash to come in here and read and I'm supposed to sit here and accept it. The only reason I have to answer it at all is because some people sent her down here to be a senator. But I'm telling you, you all can listen to that trash and kill the bill. She doesn't even tell the truth about what the situation is that the Union would represent. The Union has hired some lobbyists. I don't know where she gets this stuff. But let me tell you this, I have given you information. I gave you a copy of a letter written by the Chief of Police describing the situation. Is that false? She's used to talking to people like this in her district, that's how she got elected. But in defense of what I have presented, I want that in the record and it's going to be in the record. And when this kind of nonsense is put out with reference to me and what I have said, I'm going to deal with it. She's out there in some little safe enclave and talks about she's going to ask me whose safety am I concerned about. She doesn't even have a concept of what safety is. There are people in my district who run a threat to their safety that's more than burning your hands while you're trying to pull some cupcakes out
