PRESIDENT MOUL PRESIDING

PRESIDENT MOUL: Good afternoon, ladies and gentlemen, and welcome to the George W. Norris Legislative Chamber. We will proceed with roll call. Please record your presence.

CLERK: I have a quorum present, Madam President.

PRESIDENT MOUL: Thank you, Mr. Clerk. Are there items for the record?

CLERK: Madam President, your Committee on Enrollment and Review respectfully reports they have carefully examined and engrossed LB 117, LB 292, and LB 523 and report those correctly engrossed. Amendments to be printed to LB 152 by Senator Vrtiska. And I have received a report from the Nebraska Energy Office. That will be on file in the Clerk's Office. LR 84, LR 85, and LR 86 are ready for your signature, Madam President. That's all that I have. (See pages 1817-19 of the Legislative Journal.)

PRESIDENT MOUL: Thank you, Mr. Clerk. While the Legislature is in session and capable of conducting business, I propose to sign and do sign LR 84, LR 85, and LR 86. I would like to call the senators' attention to the south balcony. Special guests today of Senator Robinson are 35 seventh graders from Guardian Angel Elementary School in West Point, Nebraska, and their teacher. Would you please rise and be recognized. Welcome to the Chamber. Thank you. We'll now turn to General File, LB 421.

CLERK: Madam President, 421 was heard this morning. Committee amendments were offered. Senator Withem had an amendment to the bill that was offered. Senator Coordsen asked for a division. The division was sustained. There was then a ruling with respect to one portion of the division as to its "germanity" to the committee amendments. The Chair ruled those amendments not germane to the committee amendments. Senator Withem has challenged the ruling of the Chair.
