

SENATOR CHAMBERS: ...and they want to spend it in this foolish way, so let them, and we don't have to take that which serves no worthwhile purpose and entice people who may not be able to afford it to do it, just like we don't need a state lottery.

SENATOR CUDABACK: That's...

SENATOR CHAMBERS: We have a different philosophy in looking at these things in terms of what the state is going to provide. I think when it is doing something that is not essential, and people want that service, let them pay through the nose for it because it is not a legitimate government service in the sense of one of those necessities that government was created to provide.

SENATOR CUDABACK: Even though it might be at the expense of dollars, and it probably is.

SENATOR CHAMBERS: Well, raise it, raise the amount rather than lower it.

SENATOR CUDABACK: But, see, some of those rich people won't put out the dollars.

SENATOR CHAMBERS: Why don't we just abolish, why don't we just abolish this whole kind of thing...

SENATOR HALL: One minute, Senator Cudaback.

SENATOR CHAMBERS: ...and don't even be involved in this kind of discussion.

SENATOR CUDABACK: Thank you for your comments, and I appreciate it. And I wish I could see like you do. Perhaps you are right, but at this time I think I want everybody to afford to have the plate. We would put on your plate Mr. C, everybody would recognize you that way.

SENATOR CHAMBERS: Well, I don't always want people to know that it is me in my car.

SENATOR CUDABACK: Appreciate...

SENATOR CHAMBERS: The State Patrol already does that from the air without being able to see the...
