

then a...I mean a call of the house and then a roll call vote.

SPEAKER BAACK: We have a request for a call of the house. All those in favor vote aye, opposed vote no. Record, Mr. Clerk.

CLERK: 24 ayes, 0 nays to go under call, Mr. President.

SPEAKER BAACK: The house is under call. All members please report to the Chamber and record your presence, the house is under call. We are looking for Senators Ashford and Withem. Senator Beutler, would you record your presence please. We are looking for Senator Ashford. Senator Ashford is looking for the Chamber. Thank you, Senator Chambers. A roll call vote has been requested. We are voting on the Chambers amendment to the committee amendments, and I would remind the body, this is a General File amendment to the amendment so it does require just a simple majority. Mr. Clerk, call the roll.

CLERK: (Roll call vote taken. See pages 2124-25 of the Legislative Journal.) 15 ayes, 20 ayes.

SPEAKER BAACK: The amendment fails. The call is raised. I would encourage the members to stay close to the Chamber, though, so we can continue to do business. There is nothing else pending on this portion of the committee amendments. Discussion on this portion. Senator Bernard-Stevens. Senator Kristensen. Senator Chambers.

SENATOR CHAMBERS: Mr. Speaker, I was going to test the body, I'd told Senator Moore that I only had two alternatives I would attempt on this one, but I am not going to do it because there are not that many people here. But I will tell you all something. If reducing the cost to \$33 will get you so much money and you want everybody to have it, you ought to reduce it to \$24, and on Select File, I am going to offer that, and I am going to see what happens then. Senator Moore, I want to ask you a question.

SPEAKER BAACK: Senator Moore, would you respond please.

SENATOR MOORE: Yes.

SENATOR CHAMBERS: Since these are the...first of all, what does a lichen...a regular plate cost now?
