

wanted to...I wanted to reduce it to one, preferably none. But I was going to offer an amendment to say that if you get the fee then it doesn't apply to waivers. So, in exchange for Senator Moore agreeing to at least temporarily let this amount be dropped to \$2, I will not offer my amendment to prevent the increased fee from applying in the waiver situations. So he and I both have given up something to get this amendment and I hope you will adopt it. Then I have another one which I hope you will listen to very carefully and agree to.

SPEAKER BAACK: Thank you, Senator Chambers. We will now vote on the Chambers amendment to the committee amendments. All those in favor vote aye, opposed vote no. Record, Mr. Clerk.

CLERK: 19 ayes, 0 nays, Mr. President, on adoption of the amendment to the committee amendments.

SPEAKER BAACK: The Chambers amendment to the committee amendments is adopted. We are now on this portion of the committee amendments. Any discussion on this portion of the committee amendments? Seeing none, Senator Lindsay, do you wish to close? I think Senator Lindsay would waive closing. Yeah, I think so. We'll go ahead and vote on this portion of the committee amendments. All those in favor vote aye, opposed vote no. Have you all voted on this portion of the committee amendment? Have you all voted? Record, Mr. Clerk.

CLERK: 26 ayes, 0 nays, Mr. President, on the adoption of the second portion of the committee amendments.

SPEAKER BAACK: This portion of the committee amendments is adopted. Before we proceed to the next item, I would like to introduce some guests of the Legislature. First, they are guests of Senator Elmer. We have 14 fourth graders from Beaver City Elementary from Beaver City, Nebraska, and their teacher. Would you folks please stand and be welcomed by the Legislature. Thank you for being here. An amendment by Senator Moore. Open on the bill. This was...Senator Moore, would you like to open on LB 832?

SENATOR MOORE: Yes, Mr. Speaker, and members, LB 832, as I have already mentioned a couple times through the debate in the last couple days on this bill, this bill is designed to raise the court fees to generate the \$1.5 million necessary to fund the court automation project. Obviously, with the activity on the
