

at least put this in the portion that deals with the definition and I would like to ask Senator Lindsay a question in that regard.

PRESIDENT MOUL: Senator Lindsay.

SENATOR LINDSAY: Yes.

SENATOR CHAMBERS: Senator Lindsay, I don't know...I don't think I have my copy of the bill with me. Oh, thank you. But the location of this amendment would be on page 1. Oh, these pa...these are not numbered, but anyway you know where the...do you know where the amendment would go that I'm offering?

SENATOR LINDSAY: I believe so.

SENATOR CHAMBERS: It would be at the end of the definition, I think,...

SENATOR LINDSAY: Right.

SENATOR CHAMBERS: ..of pregnancy. Do you see anything wrong with requiring that the instrument, device, medicine, drug or other substance actually have the capability to cause the premature termination since there is also the crime created of an attempt to perform an abortion?

SENATOR LINDSAY: I don't have a problem with that language, but I disagree that this bill creates the crime of attempt. I think the attempt crime is created under the general statutes.

SENATOR CHAMBERS: Well, then would you object to this language?

SENATOR LINDSAY: To this language?

SENATOR CHAMBERS: Yes.

SENATOR LINDSAY: I do and I don't. I do because it's redundant. It's...I think it says something that's already being said and, because of that, I think we adding some...I mean, as far as the language being in there would it...would it bother me an enormous amount? No. But does it then...does it add anything, I don't believe it does. That's why I say...

SENATOR CHAMBERS: And, Senator Lindsay, I would discuss with
