

SENATOR ROBINSON: Okay, okay.

SENATOR WITHEM: Lose money from the state, but if they have all of the property to support (interruption)...

SENATOR ROBINSON: Because now they are only getting it from the...

SENATOR WITHEM: City.

SENATOR ROBINSON: ...confines of the Valentine...

SENATOR WITHEM: Right.

SENATOR ROBINSON: ...elementary school.

SENATOR WITHEM: Right.

SENATOR ROBINSON: Okay. So...thank you.

SENATOR WITHEM: Thank you.

PRESIDENT MOUL: Thank you, Senator Robinson. Senator Bromm.

SENATOR BROMM: Thank you, Madam President. I have a couple of questions I think and I guess one of the concerns I have about this is the process. Now do I understand, Senator Baack, well I'll ask Senator Withem, you're by your microphone, that...

SENATOR WITHEM: That was a mistake on my part, Senator Baack has...

SENATOR BROMM: ...that this was a bill or that this was two bills that was heard by Education and another...

SENATOR WITHEM: Three different bills were introduced this year that dealt with Class VI. One would have abolished Class VI's. One would have turned the high school district into a Class III district and the rest would be affiliated districts and then what you have before us was the contents of LB 71 that was referred to the Revenue Committee.

SENATOR BROMM: And the Revenue Committee failed to advance it, is that what happened?
