LB 1066

I mean, we might not be talking about all the discrimination that's taking place across the world, but we are talking about discrimination.

SENATOR HABERMAN: Would you like to include Israel in this bill, you, personally?

SENATOR HALL: It...not in this bill. I don't that...what form it would manifest itself in, but I...I would address that issue in a separate piece of legislation. Sure.

SENATOR HABERMAN: Well, you didn't answer my question. I said, would you like to include Israel in this bill?

SENATOR HALL: No. No.

SENATOR HABERMAN: Thank you. Senator Witek, answer a question, please?

PRESIDENT ROBAK: Senator Haberman, go ahead.

SENATOR HABERMAN: Should we include Israel in this bill?

SENATOR WITEK: Oh, Senator Haberman, I was fine with the bill the way it was.

SENATOR HABERMAN: Do you...answer me yes or no, please.

SENATOR WITEK: No.

SENATOR HABERMAN: Well, why not?

SENATOR WITEK: I'm sorry. I wasn't following the discussion.

SENATOR HABERMAN: I'm saying, should we include Israel in this bill?

SENATOR WITEK: And what were your reasons for including Israel in this bill?

SENATOR HABERMAN: Pardon?

SENATOR WITEK: Did you have...given reasons...have you given your reasons?
