LB 1066

SENATOR SCHIMEK: Pardon me.

SENATOR HABERMAN: Should we include Israel in this bill?

SENATOR SCHIMEK: No.

SENATOR HABERMAN: Why not?

SENATOR SCHIMEK: For all the reasons you've already heard.

SENATOR HABERMAN: Why? What were they?

SENATOR SCHIMEK: If you want Israel included in this kind of a policy, you should bring a bill, have...let it have a hearing, and I...like Senator Witek, I haven't heard your reasons for wanting to do that, Senator Haberman.

SENATOR HABERMAN: Well, I'm asking you. What's your reason for not including them.

SENATOR SCHIMEK: And I'm just telling you.

SENATOR HABERMAN: Well, that's...that's all you have to do then.

SENATOR SCHIMEK: Thank you.

SENATOR HABERMAN: You're welcome. Senator Vrtiska.

SENATOR VRTISKA: Yes, sir.

SENATOR HABERMAN: Should we include Israel in this bill, and why or why not?

PRESIDENT ROBAK: Senator.

SENATOR VRTISKA: Well, would it be all right if I say I don't know?

SENATOR HABERMAN: Sure. That's fine.

SENATOR VRTISKA: I don't know.

SENATOR HABERMAN: You don't know?
