LB 1066

details of the specific subject matter of the bill, and must be in a natural and logical sequence of the subject matter of the original proposal. LB 1066 specifically deals with restrictions on investments of state funds and institutions and corporations doing business in or with Republic of South Africa. Senator Hall's amendment dealt only with North Ireland investments. Senator Hall's bill deals with the repeal of restrictions on investments in the Republic of South Africa--specific subject matter. So, I should have asked this question sooner, but it's not even germane. Senator Hall's amendment is not germane. So, I think the constitution says something about.... Well, no, let me ask a question. Senator Hall, can you explain to me the Nebraska Capital Expansion Act?

PRESIDENT ROBAK: Senator Hall.

SENATOR HALL: Madam President, members, Senator Haberman, no.

SENATOR HABERMAN: Can you explain the Nebraska State Funds Investment Act?

SENATOR HALL: Madam President, members, Senator Haberman, no.

SENATOR HABERMAN: Did you know we had these two acts?

SENATOR HALL: Madam President, members, Senator Haberman, yes.

SENATOR HABERMAN: But you can't explain what they do?

SENATOR HALL: That's correct, Senator Haberman.

SENATOR HABERMAN: Well, 1066 repeals or touches on all of these. It puts the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act in the bill.

SENATOR HALL: That's correct.

SENATOR HABERMAN: It touches on those all the time.

SENATOR HALL: That's correct.

SENATOR HABERMAN: Now, the Nebraska Capital Expansion Act...thank you, Senator Hall...

SENATOR HALL: You're welcome.
