While the Legislature is in session and capable of transacting business, I propose to sign and do hereby sign LB 942, LB 1106, LB 1106A and LB 913. LB 1013...LB 1310, excuse me.

CLERK: Madam President, 1310, E & R amendments are the first item.

PRESIDENT ROBAK: Senator McKenzie. Senator Will.

CLERK: E & R amendments, Senator.

SENATOR WILL: Madam President, I move the adoption of the E & R amendments to LB 1310.

PRESIDENT ROBAK: Any discussion? Seeing none, all those in favor say aye. All those opposed nay. The E & R amendments are adopted.

CLERK: The first amendment I have to the bill is by Senator Bohlke. AM3855, Senator.

PRESIDENT ROBAK: Senator Bohlke, to open on her amendment.

SENATOR BOHLKE: Madam President, members, I wish to substitute AM4253. (See pages 1828-29 of the Legislative Journal.)

PRESIDENT ROBAK: Any objections? Seeing none, so ordered. Senator Bohlke.

SENATOR BOHLKE: Thank you. This amendment does some very simple things; first, that it repeals Section 7 in the original bill and that was merely an assumption that there is a contract on file for teachers that...in the state department. We thought that contract...the state department thought that was not being used by schools. It was going to delete it. We heard from the schools that some schools still use that, so it deletes that section. The other amendment really deals with school passes and what the...currently we...or what we will do is let any elected or appointed official, employee or volunteer of a district to qualify for a school pass. What this amendment does is also includes...allows passes to senior citizens groups, retired school employees and city officials. And then, lastly, it also includes community college area boards may also issue the activity passes. I will answer any questions.
