LR 277, 293

made this broad policy decision for one, you may as well make it for all because in time that's what's going to occur. But I would hope you would give some thought to what the long-term effect is going to be.

PRESIDENT ROBAK: Time.

SENATOR WARNER: You're not just helping one little unit now. If you want to help, let's do it on the appropriations side.

PRESIDENT ROBAK: Thank you, Senator Warner. Mr. Clerk, items for the record.

CLERK: Madam President, Enrollment and Review respectfully reports they have carefully examined and reviewed LB 885 and recommend the same be placed on Select File; LB 885A, LR 277, LB 1354, and LR 293CA, all on Select File. Senator Cudaback has amendments to be printed to LB 1257, Senator Kristensen to LB 1015. And I have two adds, Senator Abboud to LB 630 and Senator Will to withdraw from LB 1087 (See pages 1842-47 of the Legislative Journal.)

Priority motion, Madam President. Senator Kristensen would move to adjourn until 9:00 a.m., Monday morning, April 11, 1994.
