amendment because I believe the Douglas County Fair, whatever it may be called, whether it is the agricultural society, whatever, serves just as useful a purpose in an urban or a city situation, this officially a metro situation, or in Lincoln, or in any other town across the state, any other county across the state. It is a chance for young people to come out and exhibit what they've been doing. So everyone doesn't misunderstand, it is also for adults, and many adults have been lifelong exhibitors at fairs across the state, including the State Fair. It is a chance to compare. It is a chance to learn. It is a chance to experiment. It is a chance to compare your produce and your abilities with others, whether it be quilts, or art, or photography, or whatever. It is no different wherever you are at in any county in the state including Douglas County. So I think Senator Chambers is on the wrong track here in trying to single out the metro area just simply for them because I believe it does serve a useful purpose and I am sure a year from now, if he had an opportunity, Senator Lindsay would be in here defending the Douglas County Fair just as vigorously as I am today.

SPEAKER WITHEM: Thank you, Senator Wehrbein. Senator Bohlke, for what purpose do you rise?

SENATOR BOHLKE: Mr. Speaker, I move that we adjourn until nine o'clock tomorrow morning.

SPEAKER WITHEM: You've heard the motion. All in favor say aye. Opposed. We are adjourned.
