LB 944
LR 293

(inaudible)...

SPEAKER WITHEM: If the time limit were to run out on it, it would...

SENATOR HALL: It has.

SPEAKER WITHEM: ...be at the bottom of 984CA.

SENATOR HALL: It has run out, understanding what the Speaker has said, I will withdraw the motion and take my best shot, hoping that we will be as expeditious as possible in our deliberations.

SPEAKER WITHEM: Thank you, Senator Hall. The motion is withdrawn. The time has expired on 293CA and, Mr. Clerk, the next bill, 944.

SENATOR ROBAK: Point of order.

SPEAKER WITHEM: State your point.

SENATOR ROBAK: Could I make the motion to overrule the agenda?

SPEAKER WITHEM: You can make the motion. I would assume the matter before us right now is LB 944, I've announced that LB 944 is before us. Mr. Clerk.

CLERK: Mr. President, 944, on Select File. E & R amendments first of all, Senator McKenzie.

SPEAKER WITHEM: Excuse me, Senator Schimek, were you seeking recognition?

SENATOR SCHIMEK: Yes.

SPEAKER WITHEM: Senator Schimek.

SENATOR SCHIMEK: After the E & R amendments would be fine.

SPEAKER WITHEM: Senator McKenzie.

SENATOR MCKENZIE: Mr. Speaker, I move the E & R amendments be adopted.
