CLERK: (Read LB 140 on Final Reading.)

SPEAKER WITHEM: Senator Bernard-Stevens.

SENATOR BERNARD-STEVENS: Yes, I would like to have everyone
check in and have a roll call vote regular order, please.

SPEAKER WITHEM: Members, please check in and record your
presence.   All members not excused have recorded their presence.
There has been a request for a roll call vote in regular order
on the passage of LB 140. Mr. Clerk, call the roll.

CLERK: (Roll call vote taken. See page 2130 of the Legislative
Journal.)   20 ayes, 24 nays, 3 present and not voting, 2 excused
and not voting, on the passage of 140.

SPEAKER WITHEM: LB 140 fails to pass.   Obviously, we won't
read   LB 14CA.   Item 7, legislative resolution, LR 15CA,
Mr. Clerk.

CLERK: Mr. President, I have a motion from Senator Kristensen
to   suspend Rule 4, Section 2 so as to permit consideration of
LR 15CA.

SPEAKER WITHEM: Senator Kristensen.

SENATOR KRISTENSEN: Thank you, Mr. Speaker, members of the
Legislature.   Now the purpose of this rule suspension is to
allow us to vote today on the final submission of   the
constitutional   amendment to the voters.   This is something we
don't do often, but we certainly have done it in the past.   This
bill has acted as, or this resolution has acted as a bill all
the   way   through   its process, the hearing, the three stages of
debate.   The only thing that it would be lacking at this point
is a day layover. With that, I would urge and ask the members
to suspend the rules to allow its consideration today.   The
constitution would allow us to do this, and we have done it on
other constitutional amendments.   Thank you.

SPEAKER WITHEM: Thank you, Senator Kristensen.   Senator
Coordsen, followed by Senator Beutler on the motion to suspend
the rules.

SENATOR COORDSEN: Thank you, Mr. Speaker, members of the body.
