SPEAKER WITHEM: Any messages, reports or announcements?

CLERK: Mr. President, your Committee on Enrollment and Review respectfully reports they have carefully examined and reviewed LB 399 and recommend that same be placed on Select File. Senator Robak would like to print amendments to LB 752; Senator Schimek to LB 548. That's all that I have, Mr. President. (See pages 1374-76 of the Legislative Journal.)

SPEAKER WITHEM: Thank you. Before we begin the day's activities, I would just like to point out the group we have in the north balcony from the school district...the legislative districts of Senators Witek, Abboud, Brashear and Dwite Pedersen. We have 100 senior civic students from Millard South School and their instructors. If you folks would all stand and be recognized, please. Would also announce to the members, if you're following your agenda, LB 377 and LB 68 were advanced yesterday, so they obviously will not be brought up today. LB 712 will be passed over, as will LB 37 and 37A. So that would be LB 377, LB 68, 712, 37 and 37A will not be brought up today. Mr. Clerk, Item 5, General File, LB 109A.
